TONIGHT'S VISITORS PENGUIN INTERNATIONAL RFC

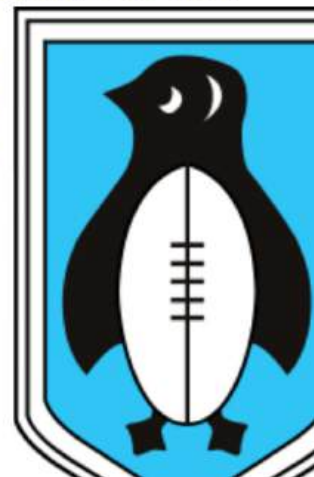

This year, the face-off between the Men's Blues and the Penguins returns to its traditional spring calendar placement on Wednesday at 7:15pm. Familiar faces are sure to return to Iffley Road with former Captain and Australian international, Bill Calcraft, on the Penguins board, and former OURFC Director of Rugby, Steve Hill, coaching the striped foe.

Oxford and Cambridge Universities remain proudly the only regular fixtures in the touring Penguins' UK fixture list. The latter are "not only the most travelled rugby club in the world, but the most travelled sports club in the world", having toured to 75 countries at present, a number that only increases year on year.

Our most recent battle last season restored the silverware to its rightful home in the Ricoh Room under the stands. That game, closing at 43-7 to the Blues, saw the debut of several players who have become staples in the Blues line up this season, including back rows Otis Walker (first start) and Luke Newland (first Blues shirt). More seasoned players were also crucial to the victory with Blues Tom Mewes and

Jack Hamilton both flying across the line to add to the score line, as well as Captain Luke Wyllie.

The Penguins will look to come back fighting to claim the Cup, named after co-founder and Life President, Alan Wright. In 1959, Wright and Tony Mason founded the club after playing together at Sidcup RFC, aiming to encourage and facilitate the development of Rugby Union across the world. The club coaches abroad as well as playing, aiming to increase the number and quality of players wherever they visit. We hope that their presence at Iffley Road on Wednesday will encourage the Blues to bring out some of their best rugby on the road to Varsity. We hope to see you in the stands cheering on the Dark Blues as they return to their home kit after last week's foray into white in their last fixture before the big day.

THE RUGBY WINE CLUB

Mike, Jason and Jonathan - co-founders of TRWC (2021).

The Rugby Wine Club

was established to fulfil our desire to drink good quality, affordable organic wines and to help fund grass roots rugby. As rugby fans who also love great wines, we share part of the revenue from every bottle with the rugby clubs that partner with TRWC.

We promote organic wines that have great flavours and aromas and that are free from some of the elements that non-organic wines contain - benefiting us, the crowd, and of course the most important pitch of all, our planet. We believe our organic wines share some of the key characteristics of our great game - integrity, heritage, strength, goodness.

So, raise a glass or two and know that you are helping the sport we love whilst enjoying great organic wines. **Subscribe today and get a free mixed case with your first subscription order and an exclusive TRWC rugby ball signed by Mike Tindall.**

Sign up today!

Mike and Gabriel Cuisset, our organic wine maker from Monestier near St Emillion, France.
